Randy,

I spoke to Cynthia about this and we think that something even briefer would be preferable, maybe something like this.... What do you think?

Susan

Susan,

Attached is a revised version of a letter to Congressman Rahall. As you recall, during the phone call a week or so ago Region 3 agreed to modify the letter. We would like to send it this week.

Please take a look so that I can get back to Shawn and move the letter. Thanks.
